## From the President's Desk

TAMWMW State President | Lady Michelle M. Reid | 210-383-1723 | saiamwmw85@gmail.com

My Texas Sisters,

As the first quarter of my presidency concludes, I give thanks and praise to God for all that we have accomplished. The updated revisions to our State Constitution were approved by 100% of our membership. We completed our first fundraiser, the Texas State Souvenir Journal. We raised a grand total of \$7,835.00! I want to express a heartfelt thank you to all who purchased an ad or sponsorship. You made our fundraiser very successful!

Our State Conference, scheduled for this coming February, is set and ready to go. We are also preparing for our 2027 State Conference in Houston where we will continue to mirror our International conference model. I thank God for His favor and blessings on this great state. ***"Won't He do it!?"***

Unfortunately, we have suffered some losses as well. I want to commend us as a Sisterhood for being the Hands and Feet of Christ, ministering to our sisters through illnesses and loss of loved ones. It's not always the words that we share, but the actions we show from the heart. That's what the world sees and remembers. Thank you for being a shining light, My Sisters.

To every Local President in this great state, you are very much appreciated and loved for the job you are doing. You are NOT ever to be mistaken for or thought to be leaders in name only. Our local organizations are the skeletal infrastructure, the building block, on which we stand. You, Madam Presidents, lay the groundwork, teaching, mentoring, shaping, and grooming the future leaders of the IAMWMW. Lead well! Always follow the guidance of the Lord through the functioning of the Holy Spirit.

I am forever grateful and proud to be the Texas State President.

Fired Up! Fired up! Ready To Serve!

*Michelle M. Reid*

**The Light Newsletter** is a tool to help share our continuous fellowship while increasing the membership of our Sisterhood. We are bound together "with cords that cannot be broken."

Sisterly Love,

# God Is My Strength

*Author Unknown*

In my darkest hour  
When I'm deep in a wilderness situation  
God is my Strength.

When I'm facing grief, loneliness,  
Depression and challenges which appear  
To have no end.  
God is my Strength

When things appear to be at their worse  
And I'm feeling weak and weary  
"I will look to the hills"  
Where I can find help  
For, I know, Jesus is with me  
And God is my Strength

When others ask me  
"How are you able to cope?"  
"How are you able to go on?"  
I answer, "When I am weak, then  
I am strong."  
For, "God is my Strength."
